2022 Premier Circle – The Japan Air Cargo Institute for Safety, Inc.

IATA Training would like to congratulate **The Japan Air Cargo Institute for Safety, Inc., Japan** on qualifying as a **2022 Premier Circle Member**.

This recognition identifies your institute as a centre of excellence in training. In 2021 you achieved impressive results, demonstrated professionalism in delivering IATA Training Programs and a commitment to student success. Several evaluation metrics, including the following were used to determine your eligibility:

- Number of students / participants enrolled
- Volume of purchase based on the partnership model
- Attaining a high graduate success rate
- Year over Year growth in 2021 enrolments over 2020

2022 Premier Circle Members enjoy the following benefits:

- Increased exposure through a dedicated IATA web page
- Recognition on IATA's social media, and marketing support
- Use of the 2022 Premier Circle logo
- A special certificate to mark your achievement
- Extra participants at the Global Training Conference (GTC)

We hope you will join us at our next Global Training Conference to receive this award. Once again, we congratulate you on this achievement and we would like to wish you an even better 2022!

Sincerely,

Stephanie Siouffi
Director, IATA Training
